

### January 2012 Town of Jonesborough Employee of the Month

Congratulations to Bill Coomer, the January 2012 Employee of the Month for the Town of Jonesborough. Bill is a valued wastewater employee who is an asset to the Town due to his positive attitude and consistent work ethic. Recently Bill responded to a warning light situation at the Washington County Justice Center grinder. Without hesitation, Bill climbed down into the station and discovered the grinder jammed with debris. Bill worked until he successfully removed the obstruction. Bill approaches each and every task given in this manner regardless of the difficulty or messy nature of the job. Bill is definitely part of the backbone of the Town's workforce and quietly gives 100% each day.

Thank you Bill for a job well done and your dedication to the Town of Jonesborough and its residents; you are much appreciated.
