

The Town of Jonesborough, the oldest in Tennessee, flies flags from the street light poles in it's Historic Business District. The flags are flown in demonstration of our support for the US Military and our love of country. Our goal is to fly these flags continuously as long as the United States has troops in harms' way.

As a way to cover the cost of the flags, the town's Flag Committee offers the opportunity to individuals to adopt a flag that is flown on one of these poles. If someone adopts a flag they can dedicate it to an individual or group and a plaque is displayed on the pole where the flag is flown.

Enclosed is a copy of the Flag Adoption form. Please complete the form and mail to Ruth Verhegge, Chair, Jonesborough Flag Committee, 601 W. Main St., Jonesborough, TN 37659. The flag adoption period will be from the spring 2007 through spring 2008. The cost of the flag adoption has been donated.

Jonesborough Flag Adoption Program

I wish to begin participation in the flag adoption program of Jonesborough, TN by adopting 1 or more American Flags for the light posts in the downtown area at a cost of \$50.00 per year. This cost covers the purchase of two flags per year, a plaque noting the adoption and maintenance of the bracket and pole.

I wish to continue to participate in the flag adoption program of Jonesborough, TN by re-adopting American Flags for the light posts in the downtown area at a cost of \$35.00 per year. This cost covers the purchase of two flags per year and maintenance of the bracket and pole.
