

TOWN OF JONESBOROUGH
Water Department
123 Boone Street
Jonesborough, TN 37659

Dear Water Customer:

The Jonesborough Water Department has partnered with United Way to extend the Hand-Up Program to Jonesborough Water Customers. This program provides the opportunity for customers to choose to add a \$1.00, \$2.00 or \$5.00 donation to their water bill each month as a donation to assist someone in dire need with the payment of their water bill. One hundred (100%) percent of the money donated by customers is sent to United Way to be included in their Hand-Up Fund that helps people in need. United Way works with Good Samaritan and the Salvation Army for the determination of who gets assistance.

We are excited about providing the opportunity for our customers to help others in need. If you would like to participate in the program, please fill out the form below. You can mail the form to the address above, bring it to Town Hall in Jonesborough, or place it in one of the drop boxes near the Jonesborough Post Office.
