Good morning,

The police department is supportive of this particular event; However, we request the start time be moved to 7:30pm. With last year's event the last 100 runners completed the race between 53 and 71 minutes with the last runner finishing at 9:11pm which was well after dark. The official sunset for that particular day is 8:20pm. The goal from the very first year of this event was to ensure that the runners reach the city limits and street lights prior to dark. With the increasing amount of traffic and the lighting issues I feel an earlier start time is a must in the interest of safety of the participants.

Thank you,

### Chief Matt Rice
